COMMS COUNCIL UK

THE VOICE OF ADVANCED COMMUNICATIONS

PARTNERSHIP PACKAGE 2027

What is Comms Council UK

Comms Council UK is the UK's IP telecommunications trade association, and is recognised by the Government, the sector regulator, Ofcom, industry, and the media as the voice of the UK VoIP and next generation comms sector.

Comms Council UK is a not for profit organisation and pays for its running costs through a combination of membership fees, sponsorship and, for past two years, offering the annual partnership. This document identifies the partnership & sponsorship opportunities offered by Comms Council UK during the calendar year.

Comms Council UK events range from our "Blue Riband" events that include the Comms Council UK Awards, the Fraud Summit, and the Christmas Lunch to a series of other workshops, webinars and dinners that are held periodically, often coinciding with other member meetings as well as industry events and trade shows throughout the year.

Why you should become a CCUK Partner and Sponsor

Comms Council UK Partnership and Sponsorship offer organisations a great opportunity to develop their brand recognitions, exposure and business development opportunities with the UK's communication sector.

CCUK membership is made up of companies from across the UKs IP voice sector, we have an active group of decision makers who regularly come together to network and share insights through our series of events, online meetings, webinars and forums.

As a Partner, your organisation will be seen as a feature of these various activities for a sustained 12 month period, with the opportunity to share your insights and engage with industry's decision makers.

There is also the opportunity to utilise the additional sponsorship opportunities to emphasise your visibility within the association.

Key Annual Events

Spring: Fraud Summit

Comms Council UK strives to bring together our members, tech companies, Government, finance sector and regulator bodies to tackle fraud. The innaugural Fraud Conference took place in last two years and will return to central London in March 2027. The event attracts 150 attendees and includes keynote Ministerial address, panel sessions, networking lunch and reception.

Summer: CCUK Awards

The CCUK awards have been running for nearly 20 years and is seen as a key event in the UK's Communications sector's calendar, bringing together 150 industry stakeholders for an afternoon of celebration in a high-profile venue. Being part of the awards allows an organisation to gain key exposure to our members through the various marketing/ branding opportunities and also the face to face connections crucial to developing relationships within the sector.

Autumn: Women in Telecoms Group reception

Comms Council UK runs Women in Telecoms group that is open to all women in the sector. Now with nearly 300 members, the group runs mentorship programme and workshops as well as regular online meetings and stage in person networking reception at the anniversary of their launch every October in central London for 50+ attendees and guest speakers.

Winter: CCUK Christmas Lunch

The annual Christmas lunch takes place in December and it is the perfect way to celebrate a successful year for the industry with our members, government representatives and regulators. The event takes place in an elegant venue in central London for 70+ attendees. As a partner, it is another opportunity in the annual calendar to network with key industry stakeholders and develop your brand through the various marketing opportunities.

Workshops/Webinars

CCUK organises regular workshops and webinars for members when issues arise and for updates in the areas CCUK is active - Fraud, Porting & Switching, Security & Resilience, AI; and Consumer Protection. Partners logos are displayed during the sessions and partners can host webinars.

FRAUD SUMMIT 2027 LONDON

Comms Council UK is a major voice to government on tackling telecommunications fraud.

The CCUK Fraud Summit is an annual event that welcomes 150 attendees each year, including representatives across sectors such as telecoms and banking, as well as regulators, law enforcement bodies, and civil servants to share insights on how to tackle fraud effectively.

Lord Hanson, Fraud Minister, is a recurring keynote speaker. Previous speakers include representatives fromBarclays, Stop! Think Fraud, Home Office, Ofcom, National Crime Agency, ICO, UK Finance, Virgin Media O2, Gamma, Smartnumbers, PXC, XConnect, Vonage and many others.

The third Fraud Summit will take place in spring 2027 in central London.

Benefits of sponsorship:
Company logo on all email campaigns and mailshots promoting the event. Company description and link to your website featured on the CCUK website. Mentions on CCUK's LinkedIn and X promoting the event.

Your banner at the Fraud Summit reception. Option to showcase your organisation through exhibition spaces and speaking opportunities. Company logo displayed on presentation slides and a verbal mention in our thank you speech. Logo and company mention featured in all post-event follow-up communications and content.

All sponsors will have opportunity to be included in 'Word from sponsors' message sent to all CCUK members with your words, image and video after the event.

CCUK AWARDS CEREMONY

Now in the 19th year, the CCUK Awards showcases the excellence in the UK communications industry and brings together 150 senior industry leaders for an afternoon of celebration.

Every year, we continue to review and amend our Award categories to reflect the ever changing contributions from key industry players.

This year's categories:

- Best Communications Provider (up to £20mil turnover)
- Best Communications Provider (over £20mil turnover)
- Best CX Experience
- Best Risk Defence Solution
- Best AI-Powered Communications
- Best Communications Enabler
- Best Innovation
- Rising Star Award
- Women in Telecoms Champion
- Outstanding Achievement Award

The 2027 Awards will launch in January. Shortlist will be revealed in May and winners will be announced at the awards ceremony in London in the summer.

Sponsorship benefits include category sponsorship, announcing the winner of your category, free tickets to the awards ceremony, banner at the event, mentions in press releases, social media posts, mentions and your company logo on all CCUK Awards promotion posts.

WOMEN IN TELECOMS GROUP EVENTS

Our aim for this working group is to provide a tangible way for members of the telecom industry to show commitment to women's development.

We launched in 2022 and now have nearly 300 members.

Every year we celebrate our anniversary with the in person event that includes a panel session discussing topics such as career development, confidence building, mentorship and more.

The event also includes networking reception and attracts around 50 attendees.

The group hosts regular online meetings and hosts a spring in person meeting as well.

The group offers free mentorship for telecoms professinals to build their careers and find support.

Our partners are promoted during our meetings and partners logos feature on the group presentation slides and partners can have unlimited number of employees signed up to the group and get free tickets to attend in person events.

The group often participates on panel session at trade shows such as Connected Britain, Channel Live, Cavell Summit and more...

Partners can participate on the panel sessions and podcasts. The latest podcast was created for UC Today.

Christmas Lunch

CCUK celebrates the the end of each year with a festive lunch for our members and industry partners.

The next event will take place on Wednesday 9th December at The Refinery at Regent's Place in central London.

Previously we hosted the event at Gaucho Charlotte Street, Kitty Hawk at Trafalgar Square, LSQ Rooftop on Leicester Square, Marylebone Hotel or Swan at the Shakespeare's Globe and 2027 event will take place in equally impressive venue at the start of December.

The event attracts 70 guests who gather for a three course festive meal and popular Christmas quiz.

This is the most popular CCUK event as it provides an informal meet up for its members.

Sponsorship benefits include:

- Company logo and links on all mailshots promoting the event
- Company logo and links to your website on CCUK website
- Company mentions on all social media posts promoting the event
- Company marketing article to all CCUK members with your promotion video or images following the event
- Company roll up banner at the event
- Company marketing goods at the event
- Free tickets for your team and guests
- Sponsor's speech at the event
- Networking with 70 attendees from the industry and Governmental bodies

Webinars/Workshops

We organise webinars for our members throughout the year to keep them up to date with industry changes, new products, Government and regulatory updates so they can prepare for the future.

We also host two or three workshops a year where we promote our Best Guidance documents that range from Know your traffic to PSTN Switch Off, CLI, DDoS attacks, Porting and others.

Ofcom, DSIT, NTS often participate in our workshops.

Partners have option to host their own webinars on their chosen topic.

Partners logos are shown on presentation slides at the workshops, they can also bring their banner to the event and get free tickets to attend.

Partners can present their own topic at the workshop in 10-15 minute slot and participate in Q&A at the end of the workshop.

Workshops also include networking drinks where you can meet CCUK members.
